VOL. XXXXIX: NO. 46 REDWOOD CITY, CAL., SATURDAY, FEBRUARY 29, 1908. ESTABLISHED, 1859.

Buy in the Beautiful Gray Tract

One of the best subdivisions in San Mateo County. No adobe; the finest of soil—loam and gravel; beautiful oak trees, and situated on the Woodside road. This road is soon to be made into a beautiful boulevard. NOW is the time to buy. Only a few blocks from the new electric line. Don't let all outsiders come here and buy up the best. These lots are all 50x100 feet; no 25-feet frontage here. I want you to call at the office and I will show you what these lots are, and I would like to see our own people get in on the ground floor—not all strangers. About forty of these lots have been placed on the market for $250 each; 10 per cent cash, remaining payments to suit purchaser.

SO DECEPTIVE

Many Redwood People Fail to Realize the Seriousness

Backache is so deceptive.

It comes and goes—keeps you guessing.

Learn the cause—then cure it.

Nine times out of ten it comes from the kidneys.

That's why Doan's Kidney Pills cure it.

Cure every kidney ill from backache to diabetes.

Here's a Redwood City case to prove it:

R. W. Hant'horn, living at 210 Second street, Redwood City, Cal., says: "My wife complained a good deal of the time from pains across her loins and always suffered more severely when standing on her feet. When at the sewing machine she would be forced to be in a stooped over position and the bending seemed to aggravate the trouble. She also suffered from a too frequent action of the kidney secretions which gave her a great deal of annoynace. Doan's Kidney Pills having been brought to her attention, she procured a box at P. A. Ryan's Drug Store. They were very prompt in giving her relif, she continued taking them, and the kidneys were restored to their proper condition, she is not annoyed by backaches and that tired languid feeling has disappeared. A medicine that will act up to its representations as Doan's Kidney Pills, did in Mrs. Hanthorn's case is worthy of recommendation."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the nme—Doan's and take no other.

Birthday Dinner

Sunday last, at their home, Mr. and Mrs. Philip DeMartini of Wesley Park, gave a dinner in honor of their oldest daughter's, Miss Stella, birthday. Quite a number of young folks from an Francisco, Oakland and Redwood enjoyed the delightful gathering in which the spirit of the occasion was kept uppermost in all sorts of merry ways.

The gathering was almost entirely an out door affair. The large front porch of the bungalow-home was artistically decorated with Japanese parasols and flags among the potted plants, hanging baskets and elder berries. The guests were seated at a table which was prettily arranged with flowers and greens. At each plate a tiny hatchet was found by the guest and warn through the day in honor of their hostess, who happened to be lucky enough to have he biirthday fall on the memorable day, February 22nd.

Many toasts and all manner of good wishes were showered upon her.

At 7:30 p. m. the happy crowd departed, each and every one declaring that the day had been one of unusual pleasure and merriment; thanks to the fair hosteess who earnestly devoted herself to making it a gathering which would not be forgotten very soon.

Among those present were the following:

Rev. Father Sullivan, Misses Marie Dupont, Lillian Osborn, Laura Genochio, Lottie Genochio, Emma Smith, Sylvia Grondona, Elvira Schivo A. Kerr, Mrs. Gray, Mr. William Schivo, Mr. and Mrs. P. DeMartini.

In reply to an article in the Democrat of February 29th the Supervisorfrom Pescadero has the following to say:

Dr. Banks was voted for by me in the c ontest for County Health Officer only as a dummy in order to find where the other members of the board stood and who they wanted.

I knew at the time that Dr. Banks was not a citizen of the United States and therefore could not hold any kind of a Public Office whether appointive or elective.

It was for this reason and not on account of pressure of business that Dr. Banks was asked to resign his position as Deputy Health Officer of Pescadero.

DOINGS IN THE SUPERIOR COURT

Suits Begun to Recover Possession

VALUABLE PROPERTY INVOLVED

Actions Are Brought by William J. Dingee, and Heirs of Augusta A. Titus

A suit was commenced this week by W. J. Dingee that will be wacthed with interest by the people of this city, Through his attorney, Garret W. McEnerney he has filed a suit against Alfred W. Wehe. The complaint recites that the defendant is owner of 16 parcels of land containing many hundred acres at Redwood City. It further recites that Wehe claims an interest in said real property adverse to the plaintiff, which claim is without any right or foundation whatever, that the defendant has no estate, right, title, interest, claim or demand to, in or upon the real property or to any paccel or part thereof. Dingee prays that the adverse claim of defendant be determined and adjudged and that it be decreed that his claims have no validility whatever. Thati t be further adjudged and decreed that said defendant be restrained and forever enjoined from asserting or claiming and right, with or interest in or to any of the property described insaid complaint. That the plaintiff recover his costs of suit and that plaintiff have such other and further relief as the court may think proper in the premises.

The suit was evidently commenced to off set the action of Wehe who filed the contract exsisting by and between W. J Dingee and John Clark and Alfred W. Wehe in the recorder's office last Friday afternoon The instrument was executed September first of last year whereby all the property owned by Dingee in Redwood City was sold, under certain conditions, to Clark and Wehe. The price to be paid for the real estate was $750.000. Of this sum $25,000 was to be paid by October first and $75,000 on November first. If the parties of the second part failed to pay the last named sum then they were to forfeit the $25,000. On the payment of the $100,00 they were to recieve a deed from Dingee and he was to be given a mortgage for the balance to-wit $650,000 at and was to get interest at the rate of seven per cent per auunm and said interest was to commence onthe first of Februqry 1908. Solinsky and Wehe are the attorneys who drew up the contract and they are the attorneys forClark and Wehe. It is understood the $75,000 was not paid and that the $25,000 is forfeited. The contract as it is now recorded is a cloud on the title of the Dingee property in this County and the latter brings suit to remove it. A number of lots have been sold in Dingee Park and the owners are wondering what effect the suit will hav eon their property which they purchased in good faith.

Alleges Brother Buncoed Sister

John J. Ortley jr., administrator of the estate of Augusta A. Titus, deceased, has commenced a suit in the superior court against Chapman Foster, executor of the estate of George L Davis, deceased and Ernestine Davis and others, to recover possession of lots 59, 60 and 61 together with improvements on Main street, Redwood City. The property is valued at $8000.

The complaint alleges that on October 20, 1898, Mrs. Titus deeded the property to her brother, George L. Davis in whom she had implicit confidence. She was told by her brother at the time that the instrument she was signing was a power of attorney. He explained to her that he would collect the rents and care for the property so she would not be annoyed or bothered in her old days by such business cares. She believed this to be true and remained in peaceful possession of the property. It was only a short time before her death that Mrs. Titus discovered that she had deeded away her real estate and was imposed upon by her brother who died October of last year. The administrator asks that the title to the property be quieted and a deed be given to the Titus estate. Costs of the suit are also asked for. The suit is only the forerunner of others that will be filed against the Davis estate. Mrs. Titus always held that she had a certain interest in her mother's estate which was not distributed to her.

Moses M. F. X. Kavanaugh has applied in the superior court for letters of administration upon the estate of Mary Kavanaugh, who died November 14th, 1904. The estate consists of an undivided onehalf interest in certain lands at Ravenswood valued at $9000.

SUPERVISORS HOLD MEETING

Burlingame Incorporation Goes Over

UP AGAIN AT REGULAR MEETING

Health Officer D. B. Plymire After Refugee Shacks and Cabins in the North End

The boad of Supervisors held an adjourned session last Monday.

This being the day set aside for the further hearing on the proposed incorporation of the Town of Burlingame the chairman announced that said business was now in order..

Charles N. Kirkbride representing the petitioners explained he had prepared a resolution directing the county surveyor to secure a map of the proposed territory to be included in the incorporation. The resolution was quite lengthy, but Mr. Kirkbride said he desired to keep the record straight and would ask to have itadopted. Hall C. Ross declared the resolution unnecessary in iview of the fact that no boundary lines had as yet been established. Chairman Coleman thought that the line should be extended 200 feet east of the county road. In that way the thoroughfare would be under the supervision of the supervisor in that district He said experience had taught in other municipalities of the State that a road would be better cared for by the county than by an incorporated town. Attorney Bennett, representing the Burlingame Club, agreed with Mr. Coleman in this regard.

On motion of Eikerenkotter seconded by MacBain the resolution offered by Kirkbride was adopted directing County Surveyor Jas. V. Neuman, to prepare a map of the territory to be adopted together with its boundary lines and have the same ready for the next meeting of the board.

Dr. D B. Plymire, health officer of San Mateo county, filed the following protest and same was accepted on montion of Eikerenkotter seconded by Blackburn. "I hereby protest against the erection and removal of any and all refugee shacks, where said shacks are moved into and erected in this county.

A large number of the refugee cabins of San Francisco have been and are being moved nto the north end of San Mateo county. Dr. Plymire believes that this practice increases the danger of the spread of the plague.

On motion of Blackburn seconded by Eikerenkotter a map of "White Oaks" presented by J. J. Bullock was accepted and the customary resolution dedicating the streets delineated thereou to public use adopted. "White Oaks" is a large tract of land near Redwood City owned by Burrell G. White. It is known as the old Britian place.

The Trustees of Redwood City, through Supervisor MacBain, asked that the Board take some action towards repairing the foot bridges and walks leading to the temporary court house. On motion of Blackburn seconded by Debenedetti Supervisor MacBain was authorized to do the work. The board thought it no more than proper that the work should bed one in view of the fact that the approaches were almostused exclusively by the county.

No further business appearing the board adjourned to meet Monday, March 2, at 10 o'clock.

Notes From Portola

The roads here are at present in fine condition.

Maurice Boos's little daughter, who was very ill last week is reported to be improving.

Andrew Welch is greatly improving his property. He will shortly have one of the cosiest homes in the valley.

Thew ell-constructed new concrete bridge at Portola is a credit to the valley and to Supervisor MacBain. If there were a little gravel on the approaches to it it would improve the structure.

Mr. Nahmens was very pleasantly surprised last week by a visit from his cousin, whom he had not seen for many years. He hails from Idaho. He thinks California a beautiful place with a superb climate that is unequalled in the country.

Katherine Leary

Mrs. Katherine Leary one of the oldest residents of this city passed away after a short illness early Sunday morning. Mrs. Leary came to this city many years ago, shortly after her marriage to her late husband, Dennis Leary. Four children were born to bless the union, two of whom, Mrs. Clarence Mayo of Sunol and George Leary of this city, are left to mourn her departure. Mrs. Leary was an ideal mother and put the duty to her home before everything else. She has enjoyed the declining years in peace and comfort with the family of her son George.

Mrs. Leary was a native of Ireland, aged 79 years. The funeral took place from Mount Carmel church Tuesday morning, where Rev. Father Sullivan preached an impressive sermon. The interment was in Union cemetery, where the deceased was laid to rest beside her husband and son.
